30 DAY TEMPORARY FOR TEST ELECTRICAL SERVICE AFFIDAVIT

It is understood that the 30 day Temporary For Test approved by the City of Boca Raton in connection with Building Permit # _____ at (address) _____ is being given only for construction purposes within 30 days of CO or for testing of the following installations:

In accordance with Florida Building Code Section 111.2, the building official is permitted to issue temporary authorization to make connections to the to the public utility system prior to a final inspection. The temporary connection and utilization of the connected equipment may be approved when the permit holder demonstrates to the building official's satisfaction that public health, safety and welfare will not be endangered. The electrical contractor and the building contractor agree to assume responsibility for maintaining the installation in such a manner that there is no hazard to life and property.

Such approval is in no event to be considered a release of said structure for purposes of use and occupancy, and no occupancy shall be granted or permitted until final inspections have been called for and approved by the electrical inspector and a Certificate of Occupancy is obtained. In accordance with Florida Building Code Section 111.3, the building official shall have the authority to authorize disconnection of utility service to the building where necessary to eliminate hazard to life or property.

I, _____, being first duly sworn, depose and say that I am the electrical contractor for the above described property and that I agree to assume responsibility for the maintenance of the electrical installations of this affidavit so as not to create a safety hazard if temporary service is connected.

Sworn and subscribed before me this _____ day of _____, 20____, Notary Public State of Florida at large

My commission expires: _____
